(d) **Oban Access Panel - Braille labelling statutorily introduced onto foodstuffs**

Jim Tolmie introduced the campaign of getting basic braille onto the labels of foodstuffs on behalf of the Oban and District Access Panel. Jim advised that a flyer has been produced to highlight the campaign and that they have been working with Disability Quality Scotland and Sight Scotland. While support has been given by Holyrood to this initiative the labelling of foodstuffs must go to the Food Standards Agency in Aberdeen for agreement.

Marie Harrower explained to the group how difficult it is for poor sighted and non-sighted people to access the correct foodstuffs. Although most items have a QR Code they can be difficult to find and you also need equipment, where it would be easier if braille was added to the label of foodstuff. Marie advised that a national supermarket has already added braille to their own brand products which is excellent, the campaign has moved quickly over the past year and the more people that are aware of it the better.

**Decision**

The Oban, Lorn and the Isles Group noted, considered and commended the update.

(b) **Argyll and Bute Regional Engagement Co-ordinator for Scottish Communities Climate Action Network**

Marie advised that the Scottish Communities Climate Action Network (SCANN) is a volunteer-led network with membership open to any community group across Scotland that is taking action on the climate crisis and to any organisation that is involved with or supports such community-led action.

Marie added that funding has been secured for the next 10 years to develop networks and a Community Hub that will facilitate community groups coming together to share experiences to tackle climate change.

**Decision**

The Oban, Lorn and the Isles Area Community Planning Group considered and noted the update.

(c) **Time for Change**

The Group considered an update by Laura Bennitt from Time for Change Argyll and Bute. Laura advised that Time for Change is a group of residents who are campaigning to raise awareness of climate change.

Laura highlighted that as a group they are increasingly concerned with the need to build resilience in all areas and communities in Argyll and Bute. They are working with civil contingencies to identify areas and organise reliance plans. Robert from Scottish Fire and Rescue advised that the Fire Service could assist with the resilience plans.

Laura added that recently some of the elected members of the Council had undertaken Climate Change Literacy training.

Training is available online on 23<sup>rd</sup>/24<sup>th</sup> November and 1<sup>st</sup>/2<sup>nd</sup>/7<sup>th</sup> and 8<sup>th</sup>
