Local Fire and Rescue Service Plan Priorities

The Local Fire and Rescue Service Plan has been developed to set out the priorities and objectives within Argyll & Bute and allows our local authority partners to scrutinise the performance outcomes of these priorities.
We will continue to work closely with our partners in Argyll & Bute to ensure that through targetting risks at a local level we are all "Working Together for a Safer Scotland."

The plan has been developed to complement key partnership activity embedded across Argyll & Bute's Community Plan and associated Delivery and Thematic plans. Through partnership working we will seek to deliver continuous improvement in our performance and effective service delivery in our area of operations.
