The Community Services Committee is asked to:

- Consider the IJB HSCP- FQ1 Performance Report 2023/24 (April – June)

1. Introduction

This report details performance for FQ1 (April – June) 2023/24, the performance outputs are taken from the new Integrated Performance Management Framework (IPMF) reporting Dashboard with the focus on the eight key service areas. The report details performance against each of the service areas and the 93 supporting Key Performance Indicators. Alongside this is an update from Heads of Service giving a wider context and identifying risks and mitigations. The Head of Service reporting is still under development with reports from Children & Families, Health and Community Care and Primary Care, these were discussed at

4 Governance Implications

4.1 Financial Impact

Financial performance is evidenced within the IPMF Dashboard ensuring best value as well as evidencing the impact and performance against organisational budget savings.

4.2 Staff Governance

Key performance indicators within the IPMF ensure that staff governance requirements continue to be progressed and developed include health and safety, wellbeing and new service redesign and working practices.

4.3 Clinical Governance

Clinical Governance and patient safety remains at the core of prioritised service delivery against the new IPMF Dashboard and National Health & Wellbeing Outcomes Indicators. The new governance structure supporting the IPMF ensures that the Clinical & Care Governance Committee remain central to performance improvement.

5 EQUALITY & DIVERSITY IMPLICATIONS

The Integrated Performance Management Framework captures relevant indicators used to inform the HSCP E&D work.
