

The priorities for your area are decided by data from our strategic assessment which details threats and risks, and also from feedback from local authorities, partners, and residents in the <u>Local Policing Survey</u>

- Ø Serious organised crime
- Ø Crimes of theft and dishonesty
- Ø Road safety and road crime
- Ø Violent crime
- Ø Public protection.

The Helensburgh & Lomond benefits from a dedicated Pro-active Serious and Organised Orime Team (SOCT). These specialist officers are supported by dedicated intelligence officers in tackling serious and organised crime in our communities.

The work of the SOCT and the continued upturn in detection rates of those involved in the supply of controlled drugs in our communities, is underpinned by the valuable work undertaken by our Local Policing Teams (LPT), providing the local connection to target drug dealing, developing local intelligence and progress concerns identified by members of the community.

We encourage our communities to share concerns and suspicions around drug dealing either by calling 101 or by reporting anonymously via Orimestoppers 0800 555 111
