INTRODUCTION

This relief may be applied for if there are arrangements in place which give a community organisation or community organisations, in return for investment in the project by that organisation or those organisations entitlement to a sum equivalent to:

- (a) At least 15% of the annual profit of the project; or
- (b) So much of the annual profit of the project as is attributable to 0.5 megawatt of the total installed capacity of the project (or more).

and

The project is solely concerned with the generation of heat or power (or both) from the following sources:

biomass

biofu 595.08 94.25 Tm0 gig0 G2-BDC q(7)-11nt) frrrF3 12 Tf1 0 0 1 107C q156.02 688.3 1 G[)]TETQ

The level of renewable energy generation rate relief available depends on the combined rateable valu

ANNEX A - SUBSIDY INFORMATION DECLARATION FORM

This Relief is awarded as Minimum Financial Assistance (MFA) under section 36(1) of the Subsidy Control Act 2022. There is a maximum limit of £315,000 for subsidies awarded as MFA to any one economic actor over a three year period.

Any MFA (or similar) subsidy awarded to the applicant will be relevant if the applicant wishes to apply, or has applied, for an MFA subsidy.

PLEASE STATE BELOW ALL PUBLIC ASSISTANCE RECEIVED BY THE APPLICANT

Please include all support from any public sector body in the current financial year (2023-24) and the two financial years immediately preceding (2021-22 and 2022-23) .

A written record of the amount of any MFA received, and the date/s when it was received, should be retained for at least three years from the date it was given.

Note: The applicant is the entity (that is, any person, or groups of persons under common control) that is engaged in an economic activity. The MFA financial threshold applies at company group level - a single economic actor could be the controlling interest in multiple separate businesses.
