(not due to report in this quarter)

BO106 Our looked after young people are supported by effective corporate parenting

1. In June 2019, Community Services Committee approved the continued role for the Principal Teacher (PT) - Looked After Children, funded

3. The ASN service has undergone significant improvement and review. An internal audit of the service area undertaken in May and June 2019 provided reassurance that the service is better supporting the needs of children and young people and recommended one low risk improvement action.

4. In 2018/19 we delivered 204 Gaelic Bookbug sessions with 994 adults and 1190 children attending. Gaelic Bookbug Sessions take place in Tiree, Appin, Islay, Oban and Dunoon.

BO108 All our children and young people are supported to realise their potential

1. We received positive feedback on the Primary Area report looking at attainment and achievement which have been presented to the appropriate Area Committee for scrutiny, support and challenge [CS1]. All of our Primary Schools have contributed to these reports.
2. Education Officers have been supporting all of our schools to prepare their School Improvement Plan and Standards and Quality Report. The reports were submitted during June 2019 and are subject to scrutiny by the Education Central Team.
3. All schools participated in the annual Achievement of Curriculum for Excellence (ACEL) data collection

close Ardchattan and Ashfield Primary Schools and the rezoning of St Columbas will be presented to Community Services Committee in September 2019 and will include the views of families, customers, staff and partners as part of the consultation

BO117 We encourage creativity and innovation to ensure our workforce is fit for the future

1.

Business Outcome 108 All our children and young people are supported to realise their potential

Ensure that there is access to a wide and progressive curriculum which meets the needs of all of our young people providing appropriate learning pathways to support the economic development of Argyll and Bute across all of our schools.

1. Each of our secondary schools has successfully constructed their timetable for 2019/20 academic year. Both in terms of the curriculum on offer and the recruitment of staff to deliver.
2. Oban High School and Tiree High School continue to develop and improve the virtual learning environment. Providing increase access to a wider subject in the senior phase for Tiree High School.
3. To ensure a progressive learning journey for all pupils in secondary school, work is being undertaken with secondary Head Teachers to audit current practice and to review the learner journey in secondary schools.
4. Assessment and moderation strategies are being put in place across all schools to provide a more rigorous approach to assessment and moderation including a greater use of data.
5. Review current models of curriculum paths in primary schools.

Business Outcome 108 All our children and young people are supported to realise their potential

To increase the availability and uptake of foundation apprenticeships to support the workforce aspirations in Argyll and Bute proposed Rural Deal.

- a) Improving the model of foundation apprenticeships by widening availability and by developing local models for delivery to meet the needs of our more remote and rural communities.
- b) We have had 5 foundation apprenticeships in ELC in the first cohort on Bute during session 2018/19. There is a predicted uptake of 44 for session 2019/20 across Argyll & Bute.
