

Checks on Entitlement to Work

For all applicants, evidence must be produced of entitlement to work in the United Kingdom, whether applying for a new licence or to renew an existing one. British citizens require to provide their current passport with the application. If an applicant does not have a current passport, then other documents must be provided as an alternative form of evidence. Information on alternative forms of evidence can be found on the Government website detailed below.

For an EU national, the applicant's passport must be provided with the application.

If neither a British citizen nor an EU national, the applicant's passport and residence permit confirming an entitlement to work in the UK must be provided.

Original documents require to be exhibited and will be copied and returned to applicants.
