Indicator: COM113\_05-The Council's Capital Plan is delivered on time [for projects managed by Property Services].

Why measure this? We ensure safe and efficient development of Council properties.

**Commentary:** As a result of Covid-19 there has been significant slippage in the 2020-21 capital programme. In particular the Early Years programme has been de-prioritised and the Scottish Government has extended the completion deadline from August 2020 until August 2021. There has been a need to re-programme a significant number of projects from summer 2020 to summer 2021. Given our knowledge of contractor availability there is a risk that there will be insufficient contractor capacity to undertake the works that will be required in summer 2021. The property design team will have early dialogue with contractors to inform the most appropriate way forward.
