DELIVERING OUR OUTCOMES - OUR KEY PERFORMANCE INDICATORS

Indicator: FIS102_04a-All new benefit claims are processed promptly

Why measure this? We process benefit claims as quickly as we can to help vulnerable people. We also have a statutory duty to do this.

Commentary: Performance has fallen slightly in this area mainly due to staffing shortages, sickness and an increase in workload due to Covid related Self Isolation Support Grant (SISG) volumes. A new member of staff started on 11th October and is trained to respond to telephone enquiries. This will ensure that Benefit Assessors time will be freed up to process new claim decisions. SISG volumes will reduce in the future due to proposed changes in the eligibility criteria for the grants. Therefore performance should improve as a result of this.

This indicator has not met the target (lowest is best) and performance has decreased since the last reporting period
